

Joint issue: what do they signify ?

The joint issue stamps issued by India have featured several countries such as Armenia, Belarus, Canada, China, Cyprus, France, Iran, Israel, Japan, Korea, Mexico, Mongolia, Philippines, Portugal, Russia, Singapore, Slovenia, South Africa, Serbia, Soviet Union and Vietnam to commemorate any joint venture, national event or anniversary, or person of relevance to both India and one of these countries.

With the intention of mutual understanding and co-operation, India embarked a joint venture with these countries in the field of stamp issue. Firstly, it largely highlights the common heritage and the link of the people of India with several other countries across the world.

This signifies the bilateral relation that is shared by the Indian administration with several other nationalities. Next, it also marks several occasions, diplomatic relations and trade links celebrated unanimously in India and around the world while also symbolizing the strategic partnership including the legal, political and economical servings of India with the countries across the world.

Additionally it depicts the strong bond between the architectural history of varied civilizations. Finally, it presents the joint agreements India made with many nations for the overall expansion of several domains, which in turn enabled India and collaborated countries to explore further under a synergistic framework.
